Case No. 2:18-cv-1254 RSL

**STIPULATED MOTION TO STRIKE
TRIAL DATE**

NOTED FOR: April 27, 2021

STIPULATED MOTION TO STRIKE TRIAL DATE

The Parties, by and through their respective counsel, move the Court to strike the currently-set trial date and case schedule until its ruling on Plaintiffs' Motion for Class Certification (Dkt. #42), filed on October 28, 2020. Under the current case schedule (Dkt. #40), this matter is currently set for trial on October 4, 2021, and the Parties are expected to file motions in limine and a proposed pretrial order in coming weeks.

With the question of certification unresolved, it will be difficult and costly for the Parties to prepare for trial while the scope of relevant issues and evidence is undetermined. By striking the trial date, the Court would prevent duplicative or unnecessary legal expenses for all Parties, and promote an efficient resolution of this action.

Therefore, the Parties' respectfully request the Court strike the trial date of October 4, 2021, and its pre-trial case schedule. Dkt. #40. Following a ruling on Plaintiff's Motion for Class Certification, the Parties would request the Court re-issue a new case schedule and set the matter for trial.

Respectfully Submitted this 27th day of April, 2021.
